

**Notice to Vendor**

Mar. 21<sup>st</sup>, 2022

To: All Suppliers

From: refer to Appendix – Johnson Controls Company Name (“JCI”)

Dear Sir/Madam,

1. Thank you for your support for our business all this while.
2. In order to enhance our cooperation with your good self, and to avoid any potential conflict or dispute about any contractual relationship with our suppliers, we wish to highlight the following points which are of utmost importance to JCI in respect of its contractual arrangement with its suppliers across the globe:
  - (a) Prior to execution of a definitive contract, agreement or purchase order (“**Definitive Contract**”) by authorized representatives of both JCI and supplier,
    - (i) Supplier shall not provide any service or product to JCI, or in respect of JCI’s projects; and
    - (ii) Supplier shall not provide services or products beyond the agreed scope as set out in any Definitive Contract with JCI;
  - (b) If any supplier provides any service or product to JCI or in respect of JCI’s projects before Definitive Contract is executed, or any supplier provides any service or product to JCI or in respect of JCI’s projects beyond the agreed scope of a Definitive Contract,
    - (i) JCI reserves its rights to require the supplier to remove any such work(s) or product(s) from their existing location at the supplier’s own cost; and
    - (ii) JCI shall not be liable for cost of any service or product which has been provided by the supplier without a Definitive Contract, or beyond the scope of a Definitive Contract;
  - (b) Please note that JCI does not allow its personnel to request supplier to provide any service or product to JCI, or in respect of JCI’s projects without a Definitive Contract. If you have been requested to do so by any JCI personnel, you must inform Johnson Controls APAC Procurement Team at [Building-Asia-Procurement@jci.com](mailto:Building-Asia-Procurement@jci.com) immediately with details of the said personnel and the request.
3. This notice shall apply to JCI and its all affiliates including without limited to those listed in Appendix of this Notice.

Procurement Department, Johnson Controls, APAC
